

LIEN RESOLUTION

JND's lien team delivers industry best services, strong analytical methodology, and deep expertise. JND's processes ensure efficiency, recovery compliance, and timely distribution.

HEALTHCARE LIEN VERIFICATION & RESOLUTION

As practiced consultants, JND's lien team works with national law firms and corporate entities to preserve settlement proceeds through governmental payor and/ or private health insurer lien verification and resolution. JND's experienced team efficiently and quickly moves claimants through the lien resolution process including lien review, audit, negotiation, and finalization.

PRE-SETTLEMENT CONSULTING

JND is your trusted partner in developing a lien resolution strategy that will best fit the needs of the settlement. Early planning for potential lien complications will simplify the settlement administration and help preserve proceeds. JND works with you to determine the best resolution methodology given the settlement type, size, and geographical distribution.

COMPREHENSIVE MEDICAL PLAN RESOLUTION & COMPLIANCE

JND engages with all types of medical plans to help resolve potential lien claims and satisfy reimbursement obligations, where applicable. Traditional Medicare, Medicare Advantage, Medicaid, Managed Care, Federal Employee, Military, employer funded and private pay health plans are all addressed by experienced lien resolution experts who ensure full compliance and satisfaction of statutory and contractual rights of reimbursement.

FUND ADMINISTRATION

JND ensures that settlement funds are confidently and accurately distributed upon resolution of all reimbursement rights. JND sets up Qualified Settlement Funds and provides precise settlement fund management, accounting, reporting, distribution, and reconciliation.
